FOTINOS BROTHERS WINERY
2006 Cabernet Sauvignon
Cabernet Lane Vineyard
Carneros, Napa Valley

75 Cases Produced

Fotinos Brothers wines are a culmination of 115 years of traditional family wine making, spanning four generations. This Cabernet Sauvignon is grown in a small, single vineyard, in the famous Rutherford wine appellation. Warm mid-valley days and cool, nights create the ideal microclimate for this exceptional Cabernet. Our uncompromising viticulture techniques yield deeply concentrated and complex grapes, rich in flavor. After being hand selected and sorted they are barrel aged, in new French oak, for 22 months. The reward is a full-bodied Cabernet with firm tannins and a well-developed bouquet. We are committed to producing the highest quality, ultra premium wines that are the purest expression of our vineyards. Enjoy!
